

A world map with a dark blue background. Overlaid on the map is a complex network of glowing white lines, representing a global communication network. The lines are most dense in North America and Europe, with many lines crossing the Atlantic and Indian Oceans. The lines form a web-like structure, connecting various points across the globe.

THE WORLD'S COMMUNICATION NETWORK

Press

 **The World's
Communication Network**

We deliver the most sophisticated communications through an unmatched state-of-the-art global fiber backbone of about 540,000 km in continuous expansion. Join our network!
